A trusted provider of quality funeral plans for over 35 years, we place customer service at the heart of our business. Golden Leaves pledge to treat all our customers and their loved ones with the compassion, sensitivity and care that all end of life services deserve.

- Golden Leaves is a founding member of the National Association for Pre-Paid Funeral Plans (NAPFP) and helped establish the FPA which regulates funeral plans within the UK.
- Golden Leaves is the ONLY independent funeral planning company to hold this Internationally recognized business excellence accreditation!
- We were the first to launch an international plan for expatriates abroad.
- We were the first to launch and provide the only nationwide 'green' funeral plan.
- We were also the first to introduce a funeral plan that provides a Fixed Monthly Payment option which covers you after just 12 months.
- Our nationwide network of Funeral Directors are required to satisfy a number of strict standards before they can provide services for a Golden Leaves Funeral Plan.

The Golden Leaves Trust

If you purchase your Golden Leaves funeral through single payment or 12-60 monthly instalments, all the funds are paid directly into and held in The Golden Leaves Trust, where it accumulates stable long-term growth. This specifically enables the plan to cover the increasing cost of the funeral services. This Trust is independently managed by a board of Trustees.

The FPA provides an extensive level of financial monitoring for all registered funeral plan providers, to ensure there are sufficient funds in the trust to cover the services of every funeral plan we hold with our customers.

Avoid increases in funeral costs

Did you know?

If, in 2004, you had put £1,920 (then the average cost of a funeral*) into a deposit savings account, the amount of interest earned** would now total £2,606 and only cover just over half the cost of an average funeral today.

“ I want to plan my own funeral, exactly how I want it and pay for it now. And then get on with living! ”

**THE NEW
GOLDEN LEAVES
DISBURSEMENT
GUARANTEE**

We now guarantee to cover the cost of your planned Golden Leaves Cremation Funeral, so you can rest assured that your loved ones will not be hit with any unexpected costs.

Since 2004 the average cost of a cremation funeral has more than doubled to £4,417 (the average in 2019)* and funeral costs are expected to continue to increase beyond normal inflation.

The **Golden Leaves Disbursement Guarantee** covers the complete cost of your chosen cremation funeral***. If you choose a plan involving a burial, our guarantee covers the full cost of our funeral directors services, and an allowance for disbursements is included from the outset. This figure is indexed, enabling the allowance to increase annually, helping combat rising disbursement costs such as cemetery fees, over which Golden Leaves has no control.

Our unique Overpayment Benefit Feature

With all funeral plans that are paid with Fixed Monthly Payments, it is possible to pay more into the plan than it pays out to provide your stipulated funeral services on death. However, with our new Funeral Plan, we have sought to alleviate this problem. Due to our plans **unique Overpayment Rebate Benefit feature**, if the sum of the Fixed Monthly Payments you have paid in total more than the sum paid out to Golden Leaves Limited to fund the funeral service on death; your estate will be eligible for a rebate of a percentage of this amount.

The rebate of up to 100%* of the overpaid Fixed Monthly Payments depends on the type of plan and age of the plan holder at the time the policy is taken out and the date of death.

What would you like to know?

We answer some common questions about our funeral plans...

Why should I pay now – it'll be years before I need a funeral?

We'll all need a funeral one day and with costs rising every year, it makes sense to plan your funeral while you can and fix the cost by paying for it now.

If I decide to purchase my plan over 12-60 monthly instalments, what happens if I die before I have paid them all?

A pre-paid funeral plan is not a savings policy and for its benefits and guarantees to be utilised, it is required to be paid in full.

Your next of kin or executors will be required to pay the full outstanding balance to Golden Leaves prior to the funeral for the plan guarantees and benefits to remain in place.

If the plan's outstanding balance cannot be met, the plan will be cancelled and the remaining funds will be passed back to the plan purchaser or their estate (or in specific instances the funeral director if required) after the cancellation fee has been deducted. If this particular situation occurs the plan guarantees will lapse and the current day rate for the funeral service will be charged to the family at the time of the funeral.

Can I buy a plan for my Spouse?

Yes, you can take out a plan for anyone else. All correspondence will be sent directly to the person arranging the plan and confidentiality is assured.

Am I guaranteed to be accepted?

Yes. There are no age limits to acceptance if the plan is paid in full or over 12-60 monthly instalments. If the plan is purchased by low Fixed Monthly Payment, the plan holder must be aged between 50 and 75 at the outset. There are no medical exclusions.

Who delivers my Golden Leaves funeral?

Golden Leaves will deliver your funeral services, or sub-contract the service to one of our network of approved funeral directors. If the service is delivered by one of our network, we will pay them a contractually agreed fee to deliver the funeral to you, our client.

Can I request a local funeral director to deliver my Golden Leaves funeral Service?

Golden Leaves will subcontract the delivery of your funeral services to a local funeral director (if required) providing they agree to provide the funeral services to our client on our behalf and meet our stringent service standards. *(Except for the Copper Plan where Golden Leaves will select the funeral provider without exception).*

Once I have fully purchased my plan, are there extra costs?

The services of the Funeral Director are guaranteed to be covered. Outside of the guaranteed cremation options certain disbursements may require a further payment at the time of the funeral. However, for those plans where an allowance towards disbursements has been included, we will guarantee any increase to these costs in line with the Retail Price Index (RPI). If you have opted to purchase your plan through Fixed Monthly Payments, this allowance towards disbursements will increase by 2% per annum.

How do I know the money will be there when it's needed?

If paying by lump sum or 12-60 monthly instalments, the money you've paid for your funeral is held securely in an independently managed Golden Leaves Trust. Julius Baer and Quilter Cheviot are tasked to manage the long-term growth of the fund, specifically to meet the increasing cost of funeral services.

If you have opted to pay by Fixed Monthly Payments, a whole of life policy has been taken out with Phoenix Life Ltd, to cover the costs of the funeral plan.

Suppose I die before I have paid 12 months of Fixed Monthly Payments?

During the first 12 months, if you have paid through Fixed Monthly Payments, the full benefit will only

“ I really didn't want to pass on the worry of all this to my family - I'm so glad I've settled it all in advance. ”

be paid in the event of accidental death (terms & conditions apply), otherwise 120% of the Fixed Monthly Payments you have paid will be used as a contribution to the cost of the funeral, and your next of kin will be required to meet any balance due.

If I purchase a Copper Plan, can I have a service for my family to attend?

The Copper Plan is a direct Cremation service and therefore unfortunately doesn't include a service for mourners. Many people do hold a separate memorial service at a later date, once they have collected the cremated remains of their loved one.

What if I die at home and have a Direct Cremation plan?

The Copper plan will still be activated and Collection is now included in the plan 24 hours a day from mainland UK.

Can I upgrade my plan to another if I change my mind?

Yes (providing your selected payment option allows this), this is a simple process. We will cancel your current plan and apportion those funds to your new selection, which will be priced at the current rate at the time of switching. You will not be charged a cancellation fee.

What happens if I would prefer the cremated remains of my loved one sent to me rather than collecting them?

The Cremated remains to be returned to family by private driver or scattered in garden of remembrance at crematorium.

Are Doctors fees included in your disbursement contribution?

Unfortunately, no, as from June 6th 2017. There are no medical certification fees applicable when a coroner is involved in investigating the cause of death. Furthermore, legislation has now removed them from being charged on all deaths regardless of the involvement of the coroner in Scotland.

Our plans are provided across the entirety of the United Kingdom and as we therefore have a singular nationally levied price across our range of plans, it has been easier to remove this fee in its entirety.

If the funeral takes place outside of Scotland and a coroner is not involved, these fees will have to be paid at the time of the funeral by the next of kin or the deceased's personal representative. Therefore this fee is currently not payable on 50% of funerals and consequently we do not include cover for this in the price of your plan.
